1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a resident of Columbia, and a customer of the company.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am a widowed mother of two. I work two jobs, and can't continue to afford these rate increases. The company keeps asking and getting an increase, but our paychecks stay the same. If unable to pay they shut off our services. How can we live when the cost of living doesn't match the providers demands? Have some compassion for hard working people, who are just trying to stay afloat.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

No. I can't afford to be off of either job.
